2 Bedroom, 2.00 Bathroom, 924 sqft
Detached Single Family on 2.00 Acres

NO RECORDED SUBDIVISION, CHIPLEY, FL

Beautiful 2 acres! Super cute manufactured home. Close to town but has a great country feel. You'd be hard pressed to find a prettier piece of property! It's really quite pretty with large, mature trees, private - set back from the road. There's a low spot in the front yard that could be filled in or dug out if you wanted a pond. County maintained dead end road. The manufactured home is sooo cute. split bedroom, 2 bedrooms, 2 baths. Primary suite has a shower and double vanity, the other bedroom is on the other side of the home. Large great room/kitchen & dining area spaces. Separate laundry room at the back door. Unique burned (on purpose) plywood flooring, sealed and appears quite low maintenance. If you're looking for a reasonably priced home, something slightly off the beaten path, aa part time residence, or potentially a great long term or short-term rental, this might be the solution! Make an appointment to see this charming home today! (all sizes approximate and taken from public records, buyer to verify any details buyer deems important).
